international / prose/poetry / literature

Without  
much strength,  
Without  
a home,  
Without  
family,  
Without  
money,  
Without  
harmony,  
You cared.

## **Scattered Angel**

Scattered angel,  
with heart to give  
Scattered angel,  
with clutter to clear  
Scattered angel,  
with love so dear  
Scattered angel,  
unscatter here.
