The entire world -- with the exception of uneducated and uninformed Americans (naturally) -- is aware that 9/11 and the anthrax letters were an inside job designed to create hostile social divisions, extend executive powers, in order to facilitate WAR and ROB resource rich poorer nations of their sovereign wealth. In whose interests are these unspeakable atrocities committed? For the many CORPORATE interests that control America today -- as if YOU didn't know!

Moving in the shadows behind their puppet governments these corporations wreak havoc and destruction for the sake of greed and PROFIT only! It matters not to the nefarious, evil creatures in Corporate boardrooms that over one million INNOCENT lives have been lost, four million people displaced (in Iraq alone) and that NEEDLESS wars rage - NOTHING MATTERS EXCEPT THE BOTTOM LINE, secrecy, SUPPRESSION of TRUTH and behind the scenes power plays!

The greatest threat to world peace today is CLEARLY the USA and its servile allies. Now, with that raw TRUTH in the world's face, convince us that we shouldn't nuke your capitals - YOUR ARE ALL RESPONSIBLE, by commission or omission, you vile disgusting, SWINE!

'For whom does the radium glow? It glows for thee!'
