Floodgates

a mysterious hand
opens floodgates
when least expected;
at the most inopportune times
the entire content of consciousness
is released,
a burden
far too large
for a puny mind
to bear.

i am drowning in my own emotions and experiences whoever heard of such a thing?

twenty year memories dancing with this afternoon's experiences, not yet filed or savoured -life's most exquisite and horrid moments in one gigantic mass!

everything has a strange new quality, tone, to re-experience, re-live, a haphazard arrangement yet somehow a discernible ordered chaos.

a lone swimmer against a giant whirlpool, about to disappear into another dimension -where perhaps this monumental load becomes a trifling, a fleeting whimsy.

we are all the sum of our experience uncensored passions/emotions, pleasures and pains; fuck! it's 2:39am and i'm going down for the count (again).

there is no existence without consciousness, a difficult statement to counter the ruin of sophists and a fool's delight.

it's 3:31am, a poem completed, a lifebuoy, a raft in a limitless, variegated sea.
