

Social Contractionism

Here we are again as unhappy as can be; global economic failure is now unavoidable (spring 2011), massive unemployment, rampant racism (Roma deportations in Western Europe) and social divisions/demonisation promoted by Western leaders - taken straight from Hitler's political diary - but it's only the beginning of the horrors that await the Western world.

The huge cover-up and failure to prosecute Oil CEOs and other CORPORATE EXECUTIVES for environmental vandalism, human deaths and the toxic BP Oil Spill - surely that heinous event alone should indicate, even to the dumbest American, that the world is now in the hands of brazen criminal cabals that prosecute us for stealing a loaf of bread while they commit mass murder (one million civilians in Iraq alone) and the most horrendous crimes with IMPUNITY!

These nefarious cabals now control everything, from the mass media to the financial system and every large Corporation in the world.

They buy and install ALL our governments and orchestrate events behind the scenes in order to avoid responsibility and maintain their anonymity. But for all their control mechanisms they have PROVEN they lack skill and intelligence! The **WORLD THEY HAVE CREATED** over the past few decades is a **TOTAL FAILURE** -- of such huge proportions that it staggers the most elastic imagination.

Brace yourselves, these nefarious individuals are about to play their last card - NUCLEAR WAR! Did I omit to mention that the Pentagon and most Western militaries are at the service of these criminal cabals - the wars of PLUNDER currently waged offer incontrovertible proof of that fact.

So what do we suggest YOU do - we have been criticised in the past for not offering solutions - well, quite simply do what YOU have always done, cower, cringe and hide, remain servile and ignore ALL the OVERWHELMING EVIDENCE of CRIMINALITY IN HIGH PLACES -- hope beyond hope these criminals will spare you or that your illusionary Gods will save you, you pathetic shits - LOL - the sheep are truly fit for the slaughter!

An intentional mistake was made in paragraph three; these cabals DO NOT CONTROL EVERYTHING - the people remain the LAST potent force able to RESTORE JUSTICE AND SANITY to a failed world - but they first must eradicate the mass murdering, thieving INCOMPETENT criminal cabals that are destroying everything.

The price this time for failure is NUCLEAR WAR - frankly, you deserve everything you get - their LIES are far more palatable than our harsh Truths!

It is time to dispense swift justice to those responsible or face an unimaginable nightmare - remember, *"the only good executive is a dead executive!"*

Victory belongs to the Victorious - makes sense, don't it Jethro?
