

## Cogence

by stylus *Friday, Sep 24 2010, 9:55pm*

international / prose/poetry / literature

in no school or institution  
of 'higher' learning  
are life's most  
important lessons taught;

perhaps that is the  
clearest indication yet  
of the sickness that plagues  
our respective societies.

with the exception of the USA,  
the world agrees that  $2 + 2 = 4$   
indeed,  
then on to the theory of relativity,  
but even Einstein's theories do not  
compare to life's important lessons;

LOVE heals  
and  
(always) overcomes hate and fear -  
a lesson learned by the majority  
of the world's population  
but one that continues to evade  
Israel and America!

the cringing population of  
America would do well to  
recall the wise words of one of its  
*assassinated* sons,  
Martin Luther King jr,  
***"I have decided to stick with Love.  
Hate is too great a burden to bear!"***

[today's black SLAVE president  
pales to white!]

we know the vast majority of people  
are aware of the LIES that have led to  
the needless wars of acquisition  
and plunder being waged  
by America/Israel/NATO  
and their knee-walking allies.

cast not your gaze  
or point an accusative finger  
at 'our' leaders;  
we KNOW  
they do not represent the people,  
they instead serve their masters,  
the tiny parasitic minority  
that placed them in power --  
the Corporate elites, that could care less  
for anything other than the bottom line  
and their own corrupt arses.

we now live in their world  
of vandalism, destruction, chaos,  
pollution, global economic failure,  
mass murder and permanent WAR!

One could end it here  
with a sarcastic,  
"have a nice day,"  
or  
"you've made your bed ..."  
but  
are we not the overwhelming,  
AWARE MAJORITY,  
are we not aware  
of the solution?

if you give me your soul  
i would dance raptures with it  
forever;  
if you give me your heart  
i would Love it until eternity  
decides again;  
if you give me your mind,  
i would nurture and protect it,  
but  
if you offer hate (rage and division)  
it must necessarily return  
to its source;

no home will it ever find  
here!

*[Your hate is no match for my Love.]*
