If a picture is worth a thousand words then this video is worth millions. I all but went on an indiscriminate Pig killing spree after viewing this sickening video.

You wonder why my reaction? Prior to the invention of Tasers, I was handcuffed, my ankles tied to a chair and mercilessly beaten for six hours by FIVE 'brave' NSW police for a dope infringement. Well, I was once a dooper, now I'm permanently altered thanks to the GUTLESS beyond belief, AUSTRALIAN police. Maybe I'm weak or just human but the next Pig that puts a foot wrong in my direction is in for the shock of his very short life!
