

Light

by alana *Friday, Oct 15 2010, 5:47pm*

international / prose/poetry / literature

belief,
a possibility
who knows when?

God knows (perhaps)
a breath
a day
a life away

an eternal round
yet in a blink
all that ever was
that will ever be
continues
to BE ..Love

disconnected
i/we seek asylum
in its warm embrace
in that Eternal moment
we are (all) exonerated
.. liberated

beams of light
Be-coming ..
