If modern 'democratic' elections prove anything they prove the current two horse, ONE STABLE 'race' is a fraud/joke! Obama is not the problem the forces that pull his and every other (with very few exceptions) politician's strings on Capitol (spelled 'Capital,' you idiots!) Hill, control OUR governments/democracies! So who or what are the forces that once lurked in the shadows but today are known to the entire world? YES, that's right, morons, Wall Street, Big Finance/Banks and Transnational CORPORATIONS. Everybody knows!

What is lacking today that generations past had in abundance is 'SPINE' and the temerity/will to change one's circumstances.

People today ACCEPT criminal, puppet governments like the millions of historic Jews that were herded into gas chambers by a *few dozen* armed Nazi guards **PASSIVELY** ACCEPTED their deaths!! THE ENTIRE WORLD KNOWS THE IRAQ WAR WAS BASED ON LIES AND WAS/IS ESSENTIALLY AN OIL GRAB - let's (continue) to ignore the appalling holocaust of over one million innocent civilian dead and focus on the KNOWN perpetrators of this criminal invasion/occupation!

What do you suppose has been done about apprehending the KNOWN criminal leaders of this most inept criminal FRAUD - yes, that's right, SWEET FUCK ALL! The Independent Press has been screaming for JUSTICE for over a decade - the result, accelerated militaristic expansionism and increased civilian casualties, the Corporatists are laughing as they read this - they know as I know that the chicken-shit masses are not worth a pinch of shit - NEVER BEFORE HAVE SO MANY PEOPLE DISPLAYED SO MUCH COWARDICE! Sure, a few brave individuals continue to carry the torch of Freedom and wave the banner of Justice (WikiLeaks) while the global majority COWER and CRINGE in FEAR, timidity and INACTION.

Well, everything - especially denial and cowardice -- comes at a price, the only thing laissez-faire economics got right is, "**there's no such thing as a free lunch!**" I can ASSURE all you cowardly COCKSUCKERS that you will pay through the nose - the rest of us may win or lose BUT we'll either go down fighting or be happily engaged in hanging CRIMINAL Corporatists from the nearest light poles.

The millions these Corporate PIGS pay themselves does not reflect their ability, it is the real reward YOUR cowardice and apathy bestows on them! The paltry wages of the majority, however, does reflect the status of those that accept the widest disparity of real wealth known to modern history - yes, indeed, Corporatists couldn't exist without the mindless, moronic, servile, slaves that SUPPORT them and tolerate their BRAZEN criminality!

REAL change does not occur without a STRUGGLE, personal and social. Freedom is never bestowed, it is EARNED.

Have a nice day, cocksuckers!
