

Land of the who, Home of the what?

by captain starlight *Sunday, Nov 7 2010, 6:31pm*

international / social/political / news report

The remedy is now in your face -- Freddy can SEE it!

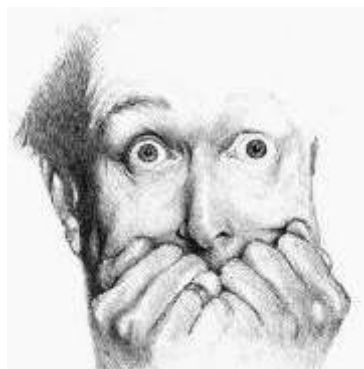

Gates, Sec. of Defense and Corporate LACKEY

If Washington persists in not taking action against the most criminal elements in the USA (world) converge on Wall Street, drag the Executives out of their glass towers and hang them. Then apply the same cure to Washington's puppet politicians.

Restore the nation, if you have the backbone, America!

The REAL enemy is within, plain to SEE.

America today!
