

Consort Divine

international / prose/poetry / literature

my mouth is unable
to describe
your beauty;
my pen falters
before your radiance
my mind dissolves
confronting
your limitless space

i am captivated
by your divine song
and transported
by its magic harmony
i cannot contain my Self
any longer
i offer it (myself) to you --
gladly
sacrificed
on your altar of Bliss

consume me whole
release me via your
fires of redemption
engulf me
completely

help me emerge anew
and dance in your universe
of delights
sing me to Life

again and again
that i may die
to my limitations
and Live in your
eternal Joy

i can never get enough
drown me in your Being

there is no Law but Love
there is no God but Love
there is nothing
in this universe
but the sweet Peace
and Harmony
of
Love

this is Truth – there is no other
