international / peace/war / opinion/analysis

WikiLeaks has proven that the Corporate controlled Terrorist nation of America cannot buy or intimidate everyone.

We, the free people of the WORLD RESIST to the END the CORPORATE ideology of profit at any cost. We REJECT completely and emphatically the perversity that values profit above human life. The GLOBAL COMMUNITY is ONE; we embrace each other in Peace and Love and in UNITY work together to eliminate the perversity that has infected our governments and hijacked OUR Democracies.

The perversity that is CORPORATISM is EASILY overcome and neutralised by simply withdrawing support and REFUSING TO FIGHT Corporate wars.

By simply withdrawing our support for the maniacal military and mercenary armies that serve Corporations and resisting the mass murderers that wear uniforms WE ENGAGE in a GLOBAL ACT of effective RESISTANCE.

The human PARASITES, that hide in their boardrooms and think nothing of the millions of LOST innocent lives in profit driven wars, deserve no quarter and shall receive NONE -- the same merciless standard THEY apply to innocent victims will be applied to them.

Today we have GLOBAL AWARENESS and unification of AIMS. The catalysing agent was WikiLeaks and the attacks on its founder, Julian Assange.

It has begun, and it will not cease until every vile Corporatist behind the wars raging around the globe is hanged for the heinous murders and other economic crimes they have OPENLY COMMITTED -- the only thing protecting them is the PUPPET governments and politicians they have BOUGHT -- in other words they have no protection!

WE are/WERE their military and police!! Bought governments present no problem, politician's necks stretch like the necks of their Corporate masters.

The days of evil ruling elites are numbered -- we no longer fight each other on THEIR behalf we fight THEM on OUR behalf.

WE are legion, we are anonymous. Together we fight the evil that has hijacked our Democracies.

RESIST in any way you are able; be INSPIRED and fight -- methods of resistance are unlimited. The human imagination knows no limits!

VICTORY is assured.

We are MANY, we are ONE -- We are UNSTOPPABLE!

Swedish Documentary on Assange/WikiLeaks below:
