

Racial Divide USA

by swift *Sunday, Jan 9 2011, 8:09am*

international / injustice/law / commentary

Think of the LEGION of Corporate and Wall St criminals that instigate wars, corrupt our governments, destroy global economies, pollute our planet, destroy our jobs and continue to receive bonuses. Contrast the treatment of brazen 'white' collar criminals with the unjust VICTIMIZATION of blacks and other racial minorities in America.

The United States is not becoming a Police State, it IS a Police State, as this shocking video clearly indicates.
