IT MATTERS NOT who or what triggered the revolts and social uprisings in North Africa and Egypt. Mobilised masses are easily turned by those forces that best serve their interests. Freedom from oppression is LONG OVERDUE in the Middle East; it is irrelevant whether or not the US instigated another of its clandestine social revolutions THIS TIME SEIZE THE INITIATIVE and LEAD the MASSES to FREEDOM from ALL OPPRESSION - no more substitute leaderships feigning liberation!

Is not the fundamental tenet of Islam BROTHERHOOD? Are we not tired of internal divisions weakening Arab nations and allowing foreign powers to lord over OUR territories and tribal lands? First, target US operatives and sympathisers and neutralise them, then increase the momentum of the social uprisings until they become an overwhelming force in the ENTIRE Middle East; sound the war cry heard for generations in the deserts by OUR leaders from the time of the Prophet himself!

We are ALL ABLE TO AGREE that AMERICA is the enemy and scourge of the world and that it is a simple matter to DEMAND IN ONE VOICE the resignation of all American puppet governments and the removal of ALL FOREIGN FORCES from OUR lands and territories - hold fast to that ONE COMMON OBJECTIVE and allow no foreign agent or sympathiser to divide or veer us off course.

MAINTAIN a UNIFIED FRONT against a COMMON ENEMY and eliminate all foreign agents and influences in our lands. Matters of State can be dealt with in good time BUT the greater problem MUST be addressed FIRST. Do not allow a golden opportunity to go begging! Strike NOW and VICTORY will be our reward.

Have we not always utilised the momentum and force of the opponent to defeat him? Have we not always attacked at the most OPPORTUNE time? Remember, the more agile 'small' ALWAYS defeats the cumbersome larger force; it has been this way even since 'David and Goliath.'

SEIZE THE INITIATIVE and deliver the people from ALL OPPRESSION -- and do not relent until ALL foreign influences have been neutralised and removed from our ancestral lands.

ALLAHU AKBAR!

We are ONE.

Peace.
