

Egypt Teeters

Despite all the machinations of the CIA/Washington and the cooperation of a thoroughly corrupt Egyptian leadership - which includes 'Mubarak appointee,' to vice-president, Omar Suleiman, head of the Egyptian Secret Service, known internationally as an arm of the TORTURING, 'RENDERING,' CRIMINAL CIA -- the FATE of the Nation rests wholly in the hands of the people, as is the case with ALL Arabic speaking NATIONS.

Hillary Clinton, CFR, Corporatist lackey and flagrant LIAR - Bosnian/Sarajevo 'sniper incident' -- has recently publicly declared that the US has thrown its support behind the newly appointed -- but old friend to the CIA -- Vice-President, Omar Suleiman. I cannot help -- in full view of the damning evidence -- conclude that an old political adage applies, 'things must change in order to remain the same!'

Of course Clinton would back a KNOWN CIA ASSET for the 'stable transition of government' (don't make me laugh with that Madison Ave sales pitch) and hopefully establish a KNOWN TORTURER and tyrannical sociopath to the leadership of the American puppet State of Egypt, permanently.

We are easily able to follow the indicators of this overtly US friendly 'revolution' directly to the shadowy planning rooms of the ruling Corporatist Plutocracy - the body from which Clinton, Obama and every other Western politician receives its instructions -- in script format in some instances!

Nevertheless, REAL REPRESENTATIVE LEADERSHIP continues to be a viable option for the PEOPLE OF EGYPT and the Arab WORLD. The Egyptian people are aware of the thinly disguised CIA operation/'revolution' underway in Egypt - they may yet set an example for the ENTIRE ARAB WORLD to FOLLOW.

However, non-violent, anti-American sentiments would need to be expressed in order to galvanise a PAN ARAB MOVEMENT with the objective of RIDDING itself of ALL foreign influence and control.

A rare opportunity for REAL CHANGE and social REFORM presents itself in North Africa and the Middle East today; let's hope the PEOPLE REMAIN VIGILANT and embrace the REAL FREEDOM that AWAITS THEM. Shuffling tyrants and continued Washington interference in Arab affairs is no longer an option in the region today.

Peace.

We are ONE.
