

A Cocaine fuelled Wall Street Government - FACT!

by bluey Monday, Feb 28 2011, 8:37pm

international / injustice/law / commentary

Before proceeding with this tirade I would first like to congratulate the director, Charles Ferguson, of *"Inside Job"* for demonstrating to the MINDLESS, paralysed masses that some people are not in the grip of the NIHILIST, American cocaine/war/Carbon Tax, mentality that infects the weak today. I would also add that US puppet President Obama is a SELF-CONFESSED COCAINE USER, just perfect! [The TRUTH is in your moronic faces, people!] Drug addicted Economic vandals and private mercenary armies gilled on amphetamines -- waging illegal wars -- continue to rape tens of millions in contracts and bonuses while innocent people continue to be murdered, displaced or suffer extreme hardship!

The entire Wall Street financial debacle, which precipitated the GLOBAL economic 'crisis,' can be attributed to widespread, CHRONIC, cocaine abuse among the financial elites of the WORLD and the **impulsive, immediate term, irresponsible cavalier attitude it engenders**. This very sober claim can be EASILY VERIFIED by SIMPLY enforcing the LAW.

I CHALLENGE ALL LAW ENFORCEMENT AGENCIES, ESPECIALLY THOSE DEALING WITH DRUGS, TO REGULARLY URINE TEST (WITHOUT NOTICE) EXECUTIVES IN THE WORLDS LARGEST FINANCIAL INSTITUTIONS AND PUBLISH THE RESULTS AFTER MAKING ARRESTS. DO IT YOU SERVILE COWARDS, OR STAND CONDEMNED AS IMPOTENT FORCES and AGENCIES SERVING THE DRUGGED ECONOMIC AND MILITARY VANDALS OF THE MODERN AGE! Or stand accused of being PARTY to criminal activity. The CIA's illicit involvement in the HEROIN and COCAINE trade is a matter of PUBLIC RECORD. This is the SAME agency that conducts illegal DRONE attacks on innocent civilians today, coincidence?

We have the absurd situation in Oz where loads of police with sniffer dogs regularly raid pubs and pop festivals and arrest a few teenagers for pills and pot BUT NEVER TREAD WHERE THE MOST DAMAGING DRUG ABUSE OCCURS, IN THE CBD! The public can only wonder WHY? Do your fuckin' jobs WITHOUT FEAR OR FAVOUR, your reprehensible, COWARDLY, PIGS! Arrest the people destroying the planet and the global economy and restore some SANITY to OUR unravelling society or risk the consequences of your BIASSED arrest patterns!

YES, people, the above is FACT every claim and accusation; the US military is 'souped' on dextro-amphetamines, administered knowingly by higher command, and Wall St fuels on cocaine.

Furthermore, countless private security firms utilised as mercenaries in America's illegal wars, especially Xe/Blackwater turn a blind eye to the outrageous amphetamine and alcohol abuse of their personnel, 'murdering drug addicts' would be a more accurate description of these psychotics.

I urge everyone, with a modicum of courage, to see this documentary and learn what a bunch of wet gastrics the people/masses have become. There are no words to adequately describe the appalling toleration of what is clearly the most brazen and OVERT criminal activity known to the ENTIRE HISTORICAL RECORD and it is occurring daily in OUR MISERABLE, COWARDLY FACES!

When it all begins to spin out of control and go down the 'plug hole,' as it SURELY will, remind yourselves that it didn't have to be this way.

The INTEGRITY of ANY SOCIETY BEGINS and ENDS with ITS POPULATION; so WHAT are all YOU LAMERS, COWARDS AND USELESS FUCKWITS going to do about WALL STREET and WASHINGTON C-R-I-M-I-N-A-L-S? I know! Eat more of their shit and learn to enjoy it!

For fuck's sake!

As I write, Washington slave, Oz Prime Minister Julia Gillard, is attempting to implement the Goldman Sachs designed Carbon (con) Tax in Oz - fair go! TAX the tax evading, rapacious Transnationals gutting the country, you unspeakable coward, Gillard.
