Obama "Becoming" Wall St Puppet?

B-E-C-O-M-I-N-G? Have you been living in a cave, Dr West? [Video below.]

Consider the 'wealth' of REAL political experience Obama had prior to being INSTALLED as President. His predecessor, retard dubya Bush, was at least Governor of Texas! Obama, former employee of Henry Kissinger and 'community organiser' extraordinaire, was plucked from the 'stable' so to speak and installed as the new puppet President for Wall St and the Corporate elites!

Obama was/is a reprehensible Fraud; early videos depict him holding back a laugh while the sheeple mindlessly chant, 'yes we can!'

Consider also how quickly Obama back-flipped on every promise he made immediately after being installed as President.

"Becoming," Dr West? He 'BECAME' long before he worked for Kissinger and attended the Bilderberg meeting in Virginia with Hillary Clinton, after which he 'won' the Democratic nomination -- amazing!

Talk about slow on the uptake in the USA!

Dim and dimmer!
