An exclusive report from [Raw Story](#) reveals that Obama has either adopted or has complied with strategies developed by the REAL powers to engage in extrajudicial (criminal) assassinations of opponents!

Expendable homosexual, Obama

This 'revelation' is hardly surprising following Obama's recent and very clear [announcement](#) that the US would engage in unilateral military action against anyone that threatened its 'values' - 'we're all running scared now,' you heinous, BLACK, murdering, faggot, DOG. BUT NEVER FORGET, WHATEVER YOU APPLY TO THEM THEY APPLY TO YOU - you indescribable piece of shit! You should know better than anyone that your demise at the hands of an assassin serves to propel the nefarious plan of your Corporatist handlers, how does it feel to be completely EXPENDABLE, Baa'raack?

How much worse does OPEN fascism/NAZISM in America have to get before the WORLD decides it has had enough - I refer to mass opposition, popular uprisings, not the shameless OPEN COWARDICE displayed by Russia and China [how does it feel to have your paid for Libyan OIL stolen, China?]

Few if any are frightened by a bunch of demented, incompetent, murdering, moron, yanks; however, what is really frightening is the NUMBING PARALYSIS of the masses when faced with OPEN DECLARATIONS of brazen CRIMINALITY.

Well, Barack, if you have a brain in your slave head, you should now be aware that you have just been offered up as an OPEN TARGET for every crackpot in the world, domestic and foreign; your assassination would supply another much needed '9/11 event;' a justification for the Corporatist power elite to tighten the lid on society while expanding its ACQUISITIVE imperial pursuits - perfect!

The above video ring a bell, does it? A message to the CEO of Google, CFR members, NSA, CIA, Bilderbergers, Wall Street Execs and other MURDERING, CORPORATIST CRIMINAL SCUM. It's called TRACTION.

We informed you all up front that we didn't depended on usual exposure channels for message transmission -- you dumb, antiquated, ossified, INEPT clowns -- the 'colt' (from Old Regret) bolted years ago!

After six long years of this site rubbing your vile noses in your own filth you still haven't got a CLUE or the slightest lead on any of our identities.

*As stated on numerous occasions, you will become aware of our identities when we place the nooses around your reprehensible, murdering necks -- as you are NOW able to appreciate, that outcome is **ASSURED!***
