

## **Cold Hard UNDENIABLE Truth**

international / social/political / opinion/analysis

While the mainstream media is buzzing with Middle East and North African CIA fomented revolts and 'humanitarian' (oil grabs) revolutions, failed regime change, criminal assassination attempts by the USA and puppet allies; western propagandists, now armed with software able to saturate social network sites with multiple accounts, have been careful to ensure that 'their messages,' on facefuck, twit-ter and yourtube(brain) outnumber the REAL person accounts carrying accurate information! But we're not fooled by these media subterfuges, are we? At 'least' only about 90 moronic percent of us at any rate!

I will qualify the above ACCURATE claim by stating the OBVIOUS. These same propaganda forces wish to fog/camouflage/background, at ALL times, the crimes THEY commit by filling the 'front pages' with disinformation, diversions and distractions of the (often fabricated) 'crimes' of their enemies - the ABSURD situation of not one GUILTY American or Israeli appearing before the ICC on war crimes charges is evidence enough of PERVASIVE CORRUPTION on an INTERNATIONAL scale.

Indeed, we are aware of CIA fomented 'revolts,' oil grabs, and Madison Ave DISINFORMATION but a relatively new term has recently been coined, "Perception Management," -- the mainstream AND alternative media are flush with this managed content!

While the average uninformed American is reading his (comic book) 'news' and watching the most facile propaganda on Fox TV, which is now running with a TOOTHLESS UN report of summary executions, shelling civilian targets and other war crimes committed by the Sri Lankan military (with the assistance of US Drone and satellite intelligence imagery, I would add) the almost daily UAV/DRONE civilian killing crimes of the US in Pakistan, Afghanistan and now Libya go almost unnoticed, certainly UNQUESTIONED by 'impartial,' we are led to believe, INTERNATIONAL AUTHORITIES.

Continuing US/CIA DRONE crimes are stacked upon one million dead civilians in Iraq, but who noticed, it's ONLY ONE MILLION INNOCENT DEAD ARABS/MUSLIMS; that's not a war crime, is it?

WE need only cover the past few decades to discover that the US carpet bombing of Indo-China accounted for approximately FOUR (4) million innocent civilian deaths but who's counting, they're only gooks?

I need not mention the many forays of the CIA into Latin America, Cuba, Iran and other regions (Balkans) where so much destruction and needless killing have resulted. It all puts a VERY clear perspective on the current Middle East and North African 'humanitarian' interventions doesn't it? PLUNDER by any other name is "humanitarian intervention" these days.

Nevertheless, the ignored international standard that IDENTIFIES TERRORISTS remains to this day and that is the CIVILIAN KILLING count! In other words the most unambiguous INDICATOR/measure of terrorist activity is the number of civilians directly or indirectly killed by any 'force.'

Well, you have probably pre-empted my next question, WHICH nation is RESPONSIBLE for the greatest number of civilian deaths over the past few decades? You guessed it, A-M-E-R-I-C-A! Give the moron a blood-stained teddy bear!

If you want JUSTICE, DEMAND IT or HOLD TO ACCOUNT the star-spangled criminals RESPONSIBLE for the most heinous crimes committed in the late 20th and early 21st centuries - WE ARE BILLIONS, they are only a few hundred (globally) but we remain DIVIDED while THEY are organised and work COOPERATIVELY for their mutual benefit.
