Australian TV gives blanket coverage to prince Billy and his new wife Kate the commoner – let's hope SHE doesn't fuck her riding instructor and have his bastard son! That's the ugly truth of Billy's mum, Diana the slut, of which the WORLD is fully aware, BUT who really cares?

Consider the fact that things are going very badly in Libya, the Middle East, Afghanistan and Iraq – the Balkans and other oppressed regions would soon follow other nations regaining their sovereignty – this GLOBAL MOVEMENT is FROM THE GRASS ROOTS; are you reading this, Hu and Putin, you unspeakable COWARDS? Now consider the deception and misinformation surrounding GLOBAL RADIATION and the world's worst NUCLEAR DISASTER at Fukushima and put this wedding 'event' in the context of distraction, diversion and Madison Ave, 'Perception Management.'

In Oz, every TV channel bar one is covering this imbecilic wedding, I found only one station that wasn't and it was covering the football, typical – 'bread and circuses' all around!

Now ask the morons next door, still glued to their TV screens, WHY the mass media has not given equal saturation coverage to the heinous war crimes committed by the USA and UK since the Indo-Chinese war and today's Central Asian wars?

Go on, ask your neighbours and YOURSELF why a HOLOCAUST, one million innocent civilians killed in Iraq alone, was not pursued by the media or given blanket coverage like this ridiculous wedding!

Where is ROYALTY when INNOCENT women and children are being killed for OIL and PROFIT, you fuckin' morons? If you are so easily duped and distracted then others are less likely to consider YOUR well being in the future – have you any idea what is being debated at this very moment?

Traditional Monarchies and the new Corporate Aristocracy are responsible for ALL the wars of the past and present. Historical monarchies are responsible for the genocide of entire human groups and many indigenous tribes around the globe, so WHY and for whom are you cheering, you brainless twits?

Banking and Corporate ruling elites are patting themselves on the back tonight as the world falls for this meaningless media circus; however, as Lincoln once said, *"you can't fool all of the people all of the time."*

It is the not so easily fooled that will hold to account and then hang the war and financial criminals of the world; so have a nice dumbed-down day, vacuum-heads and as for the cabals, remember we know each and every one of you and YOU haven't a clue about us.
