Never in the modern history of the world has a 'democratic' government so clearly compromised ITSELF as criminally dishonest and ineptly deceptive as the Obama White House of today - and that is saying something in view of the known lack of integrity of the previous Cheney/Bush regime!

The Obama White House has changed its Bin Laden story so many times the WORLD has lost count. It proves without doubt that the Bin Laden 'event' was an orchestrated deception, but above all, it DEMONSTRATES to the WORLD the astounding level of INCOMPETENCE of the American ruling elite.

INEPT American criminals can't even get their LIES right - they are clearly 'winging it' as they go! The WORLD looks on in utter amazement at the sheer IDIOCY and thorough INEPTITUDE of the bungling criminals that run the USA, while the desperate American masses continue to mindlessly chant, U-S-A, U-S-A, U-S-A!

Well, take a reality pill, MORONS; not only is America the LAUGHING STOCK OF THE ENTIRE WORLD, but Pentagon, CIA and White House officials have been EXPOSED as IMBECILES and bungling CRIMINAL CLOWNS with a GREAT DEAL TO HIDE - they are in FACT, screaming IDIOTS!

Let's hear it again, morons, U-S-A, U-S-A, U-S-A! Yaayaay! Give me a star-spangled banner to wipe my ass with!

The US ruling minority has just trashed any shred of credibility or political TRUST it may have had. Can you imagine how WORLD LEADERS view such pathetic incompetence and do you think for a moment they would risk their own necks with partners as clearly INEPT as those in the Obama administration?

EVERYTHING - US misadventures from the Balkans to Libya - is unraveling as I write; that is why the desperate Bin Laden media 'event' was UNWISELY pulled out of the tattered PR hat; even Bush knew it would fail!

We also indicated it would backfire, but the incompetent clowns went ahead with it anyway - it's moments like these that make opposing the CRIMINALS in the USA a very satisfying job indeed - you pathetic cretins!

My advice to the military grunts that know the truth, go public with your identities (makes it difficult to eliminate you) or get used to WATCHING YOUR BACK! You have become compromising liabilities that could easily bring down the ENTIRE 'house!'
