How easily are we distracted?

The Bin Laden media circus - no credible evidence of claims whatsoever -- continues to take space in the Corporate (CFR) media. This desperate, diversionary, tissue-thin tactic presents no surprise to analysts who are extremely familiar with mass media trickery, 'perception management' as it is known today, and the effect mis-disinformation has on society at large! A flagrant war crime committed by NATO - the brazen, FAILED assassination attempt on Muammar Gaddafi, which resulted in the CRIMINAL MURDERS of three of his very young grandchildren and his youngest son, has been removed from public consciousness by the absurd, unproven claims relating to Hollywood Osama Bin Laden.

Nevertheless, REALITY is not so easily hidden or dismissed; criminal murder is criminal murder, made the worse as the crime was committed before the EYES OF THE WORLD, are you reading this, Russia, China and the puppet UN?

If you require proof of a criminal global elite simply ask yourselves some pertinent and simple questions; how is it that International Legal Institutions only prosecute enemies of the US and ignore the flagrant crimes of NATO, the US and allies? UAV Drones are terrorist weapons, they kill more civilians than combatants YET this terrorist, criminal activity is conducted almost daily by the USA, there is NO AVOIDING that REALITY!

Since the 50's the USA has murdered more INNOCENT civilians in its wars of 'freedom' (imperialist expansion) than all the nations of the world combined - fact, spelled F-A-C-T! Research and verify the truth for yourself! So why haven't charges been laid against the culpable in the CIA, Pentagon and US administration that order these brazen and heinous CRIMES? It is important to remember that in an uncorrupted State there are no favourites; NO ONE is ABOVE the LAW!

What we witness in the world today is pervasive CORRUPTION made possible by puppet governments of the WORLD supporting the worthless, printed on demand, unpegged, US dollar.

Analysts noted with consternation that western forces desperately established a Central Bank 'with governor,' connected to the US Federal Reserve system, in Benghazi before the conflict has even been resolved.

Gaddafi's 'crime' was that he refused Western financial SLAVERY and established his own Sovereign Bank and Sovereign Wealth Fund for his nation and people -- who, I would add, enjoyed the highest standard of living in Africa. We note that the US has recently STOLEN Libya's Sovereign Wealth Fund to finance its wars and fund CIA backed rebels. It should also be noted that western forces and their puppets, world-wide, directly or indirectly work for a few dozen PRIVATE Banking global elites. VERIFY that REALITY for yourself, we have no need for unsubstantiated media stories and absurd fabrications; evidence of the above is freely available in the public domain - for NOW!

We, the GLOBAL MORAL majority number in the Billions while criminal elites are a mere few

hundred - Justice, Peace and Fair Play are only an embrace away. Do not allow the nefarious minority to keep us divided any longer!

[Disseminate this story widely and help eliminate nefarious criminal elites and their puppets.]
