

Washington Darling Silvio Berlusconi gets a taste of REAL Democracy

by dasha Tuesday, Jun 14 2011, 9:57am

international / social equality/unity / commentary

Former media magnate and temporary Prime Minister of Italy, Silvio Berlusconi, has been jerked back to reality with an overwhelming defeat; though the issue related to nuclear energy, the PEOPLE expressed more than that issue required. Clearly THE MAJORITY of Europeans have had enough of corrupt, elitist government and MASS MEDIA DECEPTION, Berlusconi's speciality! Analysts are now pondering the ramifications for other European lackey leaders, Papandreou, Sarkozy, Cameron, Merkel and a host of newly corrupted East European puppets that toe Washington's DEEPLY UNPOPULAR, permanent war, civilian killing (and via its IMF and World Bank) AUSTERITY, line!

Arrogant prick, Berlusconi

The Corporate mass media has been at pains NOT to publicise the peoples' uprising in Greece and other European nations, however, digital mediums have ensured that popular revolts against Financial and Banking elites attempting to IMPOVERISH and ENSLAVE entire nations with absurd austerity programs (while they print unpegged paper money at will) receive more than ADEQUATE COVERAGE! It seems the people have adopted the 'what's good for the goose ...' approach.

In view of the tenuous hold western elites now have on the masses we would advise that criminal interests, particularly the US and NATO associated governments immediately cease murdering INNOCENT civilians in their NEEDLESS wars of illegal appropriation. Western leaders/politicians NOW run the very REAL risk of receiving exactly that which they dish out to others.

DIVORCED from REALITY mass murdering elitists arrogantly imagined they could get away with brazen crimes against humanity; however, it is clear they sorely underestimated the moral indignation of the masses as expressed in popular uprisings against unjust and unfair policies. People from across the globe are infuriated with their self-serving, corrupt, puppet leaders. People from many divergent cultures around the globe are of ONE VOICE DEMANDING JUSTICE and fair treatment!

After hundreds of years of rule, criminal elites are once again sweating blood as they view their

DIMINISHING prospects for survival!

We have been keenly aware of the rapidly growing tide of social discontent over the past decade, yet the INSULAR elites seem oblivious to the fact; their necks are almost on the chopping block yet they persist in utilising antiquated, transparent modes of (ineffective) mass deception.

It is quite bizarre watching puppet leaders like the extremely unpopular Oz PM feebly attempting to sell Goldman Sachs' Carbon Con to an aware population. Servile and obedient to Washington and Wall St to the end, the Oz PM is employing WORN OUT methods scripted for her by Washington and Madison Ave imbeciles labouring under the delusion that educated Australians (the majority) would fall for such feeble, unconvincing crap! The recent Chilean volcanic eruption that spewed trillions of tons of carbon/ash into the atmosphere not only grounded Australian commercial flights but made a total mockery of the premise upon which Gillard is attempting to sell her carbon tax. Aware unionists and astute local politicians would do well to be cognisant of the current political reality/'climate' and the costs of supporting a profoundly disliked Washington compliant, LYING, lackey Prime Minister.

We have nothing more to add at this stage except perhaps we told you (NSA) so, SIX years before in no uncertain terms - so the very predictable future should come as no surprise to you!

I would also take this opportunity to RE-ITERATE that criminal elite rule is O-V-E-R -- they are all dead men (and women) walking!

The average age of out of touch (minority) ruling elites is over 80! Not surprisingly they are completely out of step with contemporary reality and devoid of real solutions in today's world. Their 'permanent war' doctrine is evidence of their evil, pathological designs and the value they place on human life! Bereft of any real creative solutions they resort to the only thing they know, death, destruction and the same OLD LYING mass media song. 'YES, we CAN,' see through all their flagrant LIES and deceptions.

A message from the FREE WORLD to criminal elites;

We are Many -- We are ONE - We are UNSTOPPABLE!
