

US/NATO Openly Commit War Crimes with Impunity

The incompetence would be laughable except for the murderous tragic consequences and loss of INNOCENT human life. The US/NATO's 'humanitarian liberation' of Libya -- otherwise known as an illegal intervention designed to remove a national leader from power and appropriate the natural resource wealth from the people -- has quite openly become a criminal war waged by vandals and murderers "bombing everything" and indiscriminately killing INNOCENT civilians while they DESPERATELY seek to ILLEGALLY assassinate the nation's leader, Col. Gaddafi.

The events witnessed by the WORLD, especially collusive and SPINELESS Russia and China, easily demonstrate and identify SYSTEMIC CORRUPTION in the UN and the International Criminal Courts at the Hague -- two completely CORRUPT servile institutions that no longer have any credibility WHATSOEVER! The FACTS and tragic crimes speak for themselves.

The first was the UN-MANDATED, BRAZENLY criminal attempt on Gaddafi's life which resulted in the MURDERS of his son and three grandchildren under the age of twelve -- a war crime by ANY definition -- the ruling western elite was forced to pull Ratko Mladic out of the bag in order to distract from that OBVIOUS CRIME.

To no avail do Western forces attempt to deceive and spin their transparent shit to a VERY AWARE WORLD! Gone are the days of simplistic slogans and infantile distractions, the MASSES OF THE WORLD SEE ALL TOO CLEARLY TODAY and DEMAND that the culpable be held to account and that JUSTICE is SERVED; have you got that, you divorced from reality, INEPT (openly) criminal bastards? Are you reading this (owned) Ban Ki Moon and the Judiciary at the Hague?

As more INNOCENT civilians are killed by an incompetent USA and NATO, it becomes ever more difficult to disguise the many illegal wars raging today as 'humanitarian interventions' or keeping us safe from phantom 'terrorists' -- indeed, the WORLD is able to WITNESS FOR ITSELF the REAL TERRORIST forces that wreak the most destruction on nations and civilians today.

The UN and Hague MUST rise from their knees, spit the star-spangled phallus from their collective mouths, wipe the custard from their servile, corrupt, faces and A-C-T in the interests of the WORLD'S moral majority. JUSTICE and the LAW have long since been abandoned by the world's leading terrorist forces, the USA and NATO. ACTION is REQUIRED or forever be accused of the most profound corruption in modern social history -- the FACTS scream in your FACES!

The SPINELESS collusion of Russia and China has also been noted -- demands should have been SWIFT, uncompromising and RESOLUTE, you gutless 'superpowers'!

I'm sure you are aware of the social consequences of ignoring the brazen crimes committed in the many NEEDLESS wars the USA and its puppet allies wage today. NOT ACTING in the interests of justice and civil society fuels massive discontent and widespread disillusionment, which, as you should know, is a recipe for your own demise.

A rope is prepared for each and every one of you.
