

Truth Denied

by nano *Thursday, Aug 4 2011, 3:21am*

international / miscellaneous / other press

Numerous LEADING academic and scientific EXPERTS are demanding a FORENSIC investigation into the 9/11 event. The government report is clearly INADEQUATE.

If 9/11 is a crime, as the government would have us believe, then DENYING valid requests for a comprehensive forensic investigation into the event, CLEARLY constitutes a crime after the fact!
