Western mass media is brimming with reports, today Monday, 22 August, of rebel forces taking Tripoli; the linked piece from the CFR controlled, New York Times is typical. Americans are not very good at propoganda and always overdo it. The linked story is no exception.

Rebel firing into the air -- staged shot

Readers should note this quote from an 'unidentified Libyan resident', "*My country is free! God is great! My country is free!*" screamed one Gargaresh resident." The rest of the story is a 'build-up' to that.

Notwithstanding the unidentified (rebel/lackey) and evidence devoid account (Bin Laden 'death') western elites are nevertheless persistent in their criminal pursuits of appropriations and THEFT.

Kosovo was STOLEN from a sovereign state and handed over to an Interpol KNOWN heinous criminal gangster, Hashim Thaci, who now acts as PUPPET prime minister for US/NATO interests. Western forces have built the largest military base in continental Europe on Kosovo's stolen soil -- "FREE, FREE," you must be kidding!

Free in one sense only, FREE to suck the dicks of Western overlords and elites! That's how they like it!

From the Balkans to Afghanistan and now Libya, simply ask yourself, is Iraq FREE, is Afghanistan FREE, is the former Yugoslavia FREE and if there is any truth in Tripoli falling, are Libyans now FREE?

It may be time to wake up and analyse what you are being fed by vested, lying (western) elite interests.

NOW, no matter who or where you are, with eyes fixed firmly on the Banking and Corporatist criminal elites behind these wars, ask yourself, "AM I FREE?" No need to answer, I already know your status as SLAVE!

"FREE," my ARSE.

Real freedom is earned, never bestowed!

As for us,

We are Many -- We are ONE -- WE are UNSTOPPABLE!

Hang in there Mahdi, and thanks for bringing us the Truth, at great risk to yourself.

It's not over until the winner dances the Kolo in Libya and Kosovo, fuck 'em! We will NEVER RELENT until every NATO and US War Criminal is brought to justice and hanged. We have been prevailing against 'superpowers' for centuries. Are you reading this, Thaci?
