

Impending Global Economic Collapse

The IMF issued a warning today (see link) that the GLOBAL ECONOMY is in dire straits, however, spokespersons were careful to understate the gravity of the situation. Nonetheless, couched in misleading metaphors and the coded language of deceptive economists – ‘headwinds,’ indeed -- is the TRUTH of an imminent collapse! Anyone with ‘eyes’ to see can see. The collapse of ‘08 is now entering terminal stage. The global economy was never in recovery just on life support with printed toilet paper money which quickly evaporated in the mad UNREGULATED rush to cover criminal debts and HIDE HUGE INSOLVENCIES. White collar thieves continued to shower themselves in more bonuses while the moron masses remained passive, watching the remainder of their real funds get sucked into the bottomless pit of an impossible recovery – how’s your super going, morons?

Of course the response of the masses is to remain completely subservient to their criminal leaders and PASSIVE to the last! With thumbs firmly planted in their arses the masses are ready to meet all of life’s real challenges. [While] elite bankers and other white collar thieves CONTINUE to OPENLY STEAL what is left in the GLOBAL coffer.

It is KNOWN that criminals never cease their criminal pursuits until they are STOPPED by EXTERNAL forces. But go back to bed America, your government and puppet presidents are taking ‘good’ care of you; turn on your TV sets and get the latest ‘news’ from Fox and the mainstream media then settle into another episode of American Idol. Your (owned) unrepresentative leaders, captains of industry and masters of the (financial) universe are giving you EXACTLY what YOU DESERVE – and they know it!

Since writing was developed scribes have encoded all cultural knowledge and have written everything from religious [texts](#), which have enslaved billions, to seemingly innocuous nursery rhymes. Couched in many cultural texts scribes left [messages](#) they knew could easily be decoded by future SCRIBES – we are the weavers of myths, ‘realities’ and everything you know, morons!

[Please note, contributors to this site have been warning of this collapse for some time and continue to urge those who do not wish to lose everything to grab what is left of their funds and run, NOW! Use it to invest in productive, tradeable (food, needed goods, etc) REAL-estate.]

So, I offer you a very appropriate children’s rhyme for the times, written by an anonymous scribe, naturally:

London Bridge (the ‘city’ of London)

London Bridge is falling down,
Falling down, falling down.
London Bridge is falling down,
My fair lady.

Build it up with wood and clay,
Wood and clay, wood and clay,
Build it up with wood and clay,
My fair lady.

Wood and clay will wash away,
Wash away, wash away,
Wood and clay will wash away,
My fair lady.

Build it up with bricks and mortar,
Bricks and mortar, bricks and mortar,
Build it up with bricks and mortar,
My fair lady.

Bricks and mortar will not stay,
Will not stay, will not stay,
Bricks and mortar will not stay,
My fair lady.

Build it up with iron and steel,
Iron and steel, iron and steel,
Build it up with iron and steel,
My fair lady.

Iron and steel will bend and bow,
Bend and bow, bend and bow,
Iron and steel will bend and bow,
My fair lady.

*Build it up with silver and gold,
Silver and gold, silver and gold,
Build it up with silver and gold,
My fair lady.*

*Silver and gold will be stolen away,
Stolen away, stolen away,
Silver and gold will be stolen away,
My fair lady.*

Set a man to watch all night,
Watch all night, watch all night,
Set a man to watch all night,
My fair lady.

*Suppose the man should fall asleep,
Fall asleep, fall asleep,
Suppose the man should fall asleep?
My fair lady.*

Give him a pipe to smoke all night,

Smoke all night, smoke all night,
Give him a pipe to smoke all night,
My fair lady.

[Emphasis added to assist in interpretation.]
