

Time Out

I have been fighting all my life; first with abusive parents then with peers in an abusive education system; then with criminally corrupt police, lawyers and all manner of state officials, hypocritical theologians and other respected paedophiles and aberrants of 'high' society. It makes one wonder why they don't teach hard reality in schools and prepare the young for the injustices of a criminally corrupt world.

Bilderbergers and fags, puppet Obama and Eric 'suppressor' Schmidt

It seems everyone is expected to learn the perverse ways of the world for themselves. And so, I learned. However, I was cursed from the start; I was born with an innate sense of justice, fair play and a particular loathing of crime and criminals, so you can appreciate my sentiments toward the USA and its inhabitants.

It's difficult at times but I never lose heart or faint from the task of establishing a fair, equitable and civilised society where law, order and agreed upon convention are held in higher regard than State Terrorism and crime.

When my spirits are down and despondency looms, I take time to listen to Nina, no other voice lifts my spirits like Nina Simone's, enjoy the attachments.

Revived, I pursue the evil filth that infects all our societies with determination and renewed vigour. The evil cabals know their days are numbered; it's not only my breath they feel on their culpable necks - soon, very soon!

We are ONE.

It's YOU in the cross-hairs now, Schmidt -- you blew it, ya big girl - lol!

O, and don't forget to give my regards to 'second choice,' faggot Obama -- what a team, a girl and a fag! Recording everything you do, Schmidt, too easy!

yes, it's me, Schmidt!
