

Light

international / prose/poetry / literature

whenever darkness,
doubt or uncertainty
threaten to envelop
ease back and reflect,
Know
that Light always
shines and guides
all life's wayfarers and wanderers
back to itself
and to ineffable Peace.

Light never abandons
(its) eternal creation;
always unconditionally
embracing and restoring
all souls/everything lost
in the shadows;
removing all traces of doubt
and darkness
returning everything to its pristine
purity and harmony.

never despair,
you are Never alone,
lost or abandoned, ever.

there is nothing you can do
that would deprive you
of the comforting Light.

ease urself back into your Love/Light;
do not panic or doubt,
as has been said,
it is with You always, eternally.

be comforted and revived by its
living power;
bathe in its restoring properties
and emerge in all your brightness
free of all past blemishes and scars,

Shine as a new star in the heavens.
