The NOW clearly EVIDENT gangster alliance of the USA and NATO has finally achieved one of its primary aims in Libya -- the summary execution of former leader, Muammar Gaddafi. However, the CIA conducted proxy execution and the subsequent events in Misrata could only be described as GROTESQUE to the extreme.

Video evidence from "The Mirror" (see link) is morbid and horrific, a clearly defenceless person, already captured, is shown alive but dying with bullet wounds to the head and torso. It is a truly sickening spectacle that the US Secretary of State, Hillary 'psychopath' Clinton, DELIGHTED in -- her soon to be infamous remark, "***we came, we saw, he died,***" referring to Gaddafi, not only CLEARLY establishes guilt and criminal liability for the MURDER, but was made by Clinton LAUGHING -- I kid you not! Video evidence can be found on the same site and Youtube, though the US government will see to the removal of all compromising PATHOLOGICAL displays from CRIMINAL lunatics that run the country.

If the PEOPLE OF THE WORLD tolerate these clearly criminal STATE acts, including the war crimes committed by NATO in Libya, without proper accountability and punitive measures applied to the culpable, then the WORLD/WE are TRULY LOST and the situation would only DETERIORATE further. The ruling elites have clearly demonstrated they are homicidal maniacs that delight in horror, blood and destruction!

Gloating publicly over this GROTESQUE murder and subsequent voyeuristic display in Misrata is not only GHOULISH it is indicative of the level to which the US/NATO criminal alliance has sunk -- make no mistake the Libyan 'rebellion' is a Western orchestrated criminal action designed to appropriate oil and eliminate any threat to the global Reserve Banking System.

I think it was Jesus Christ who stated plainly, '*you will know them by their fruits (actions)*' -- well, KNOW THEM, INDEED!

Clinton, gloating and laughing
