Credit card debt in Australia has blown out to over \$50 billion according to recent figures released by the Reserve Bank of Australia; for a meagre population of 21 million, which includes every man, woman and child, that is quite an 'achievement,' you mindless MORONS -- who taught YOU to spend money you don't have?

The above question clearly needs to be asked as Oz was once a thrifty, sensible society that abhorred debt slavery. Begin by asking yourself which culture actually promotes debt slavery and spending beyond its means, I've got it, Banker and Corporatist controlled AMERICA - give the man a teddy bear!

Aussies should be ashamed to follow the IMBECILIC lead of the most ignorant, ill-informed, under-educated, socially ENSLAVED and openly MORONIC culture on the face of the earth! And if you require a little extra 'bagging,' understand that those that follow are bigger morons than the MORONS that lead - how does it feel, Julia, the latest 'doormat to Washington' Prime Minister of Australia? A culture deserves its leaders - from one puppet to another, give my regards to puppet Obama, you servile, treasonous, bitch!

But back to the issue of mindless 'plastic' debt; it doesn't take an Einstein to determine that the root cause of this blowout in PERSONAL DEBT is a lack of liquidity or available funds brought about by the DELIBERATE upward movement of available funds to the elite while WAGES for the masses have remained behind parity due to sustained downward pressure over an extended period! The RESULT is of course, ballooning, plastic debt, which is actually encouraged by the nefarious Banking and Financial elites to maintain a debt enslaved, easily managed, population -- you dumb fuck's!

Haven't you noticed the UPWARD movement of VAST sums of money to Corporate CEOs and Bank directors and the CONSTANT DOWNWARD pressure applied to REAL WAGES for the masses - you brainless twits?

Now let's see if beer-swilling, wine-gurgling, apathetic Aussie morons are able to fathom a CURE for this UNACCEPTABLE, and UNPRECEDENTED DISPARITY!

I'll give you a hint, morons; forget Unions in the workplace they are all clearly in the pocket of Corporatists and are thoroughly CORRUPT, as Hawke/Keating, Shorten, Gillard and today's ENTIRE CORPORATE serving Labor Party clearly indicates.

The cure -- eliminating disparity and restoring EQUITABLE WAGES -- is SIMPLE but it requires

SOLIDARITY in the WORKPLACE. If you feel that your Company/Employer -- based on profits and financial figures -- is short-changing you, then as a UNIFIED WORKFORCE demand fair wages or bring the company to a COMPLETE STOP; why YOU persist in slaving for others and NOT demanding your FAIR SHARE is beyond me, but I was raised in traditional Australia with Traditional AUSTRALIAN VALUES of mateship and the FAIR GO!

Equity is easy if we draw on traditional Australian values -- solidarity and mateship -- not only in the workplace but throughout society as a whole. And for those ignorant of Australian history allow me to inform you that traditional Oz values of mateship and the FAIR GO resulted (not so long ago) in Australia achieving the safest, fairest and most equitable wages and working conditions on the PLANET, fact!

The choice is yours, you pathetic fake Americans, debt SLAVE or FREE! The solution is readily available to REAL AUSSIES!

Now here's an [example](#) of what [ungrateful Bankers](#) (and Corporatists) do when you have slaved for them and they no longer need you.

It's time to think, REVIEW and IMPROVE Australia. Restore Australian VALUES to OUR culture and discard perverse American cultural exploitation and DEBT SLAVERY.
