This applies to all standing corrupt governments that have taken the money and pocketed it for themselves. It especially applies to vassal states Canada, Australia, New Zealand, Kosovo, Iraq, Afghanistan, Libya, Pakistan, Italy, Greece, Spain, Portugal, Ireland and other conquered states and territories. The corrupt servile leaders of these States are hereby openly informed that you serve a nation that espouses and PURSUES a doctrine of PERMANENT WAR and INDEFINITE DETENTION without trial or charge, which effectively crucifies PEACE and deprives humanity of the most basic human rights! As such you share criminal responsibility in the MANY HEINOUS WAR and other CRIMES against humanity your Washington and Wall Street masters have committed and continue to commit daily.

We are the extremely angry, GLOBAL MAJORITY that refuses to accept any ideology that eliminates PEACE and deprives humanity of basic human rights.

Understand clearly without the slightest doubt that the people will SOON have their day; the world you have planned (PNAC) and delivered to humanity over the past decade is a monstrous, murdering progressive disaster!

The nightmare Wall St/Washington has implemented is emphatically and unreservedly REJECTED by the global MAJORITY -- you have been advised.

JUSTICE for the KNOWN criminal elites AND THEIR SERVILE political PUPPETS, will be swift and sure, on that you can depend.

Make no mistake, this is not a manifesto it is a PROMISE/threat.

Anyone that subscribes to Permanent War and indefinite detention without trial or charge will be dealt with in the harshest possible manner by the global majority. Monstrous laws and criminal policies such as these are anathema to all humanity.

You have been advised!

Expect us.
