

Military Dishonour and Corporate Wars for Profit

by tran *Sunday, May 6 2012, 10:40pm*

international / peace/war / commentary

Regardless of all the (now known) lies and feeble propaganda, ALL today's wars are fought for Corporate PROFIT – filthy money! Where is the HONOUR in that? Indoctrinated soldiers were led to believe that Saddam Hussein was responsible for 9/11 -- an internal US/Mossad black flag operation in the same CRIMINAL, TRAITOROUS tradition as the USS Liberty attack. The American Reichstag burning (9/11) was 'necessary' in order to launch and justify Corporate America's ILLEGAL, invasive, corporate WARS of PLUNDER!

Hollywood Bin Laden was the greatest CIA asset of the 21st century as is the remaining created al-Qaeda 'terrorist threat' – but the fact is America, with its ATROCIOUS civilian killing record, is the world's leading terrorist state – verify it for yourselves!

Today's western militaries are no better than mercenaries that MURDER for money, hence the deliberate push to privatise war. The reprehensible puppet US president engages in Illegal, COWARDLY, remote control, imprecise civilian killing Drone attacks in the misguided hope that it will terrorise and subdue FREEDOM FIGHTERS and LIBERATORS in occupied nations -- the reverse is the case!

Drone warfare is the most heinous, conscious war crime of all, as responsibility for attacks goes right up the chain of command, everyone is compromised including the deluded murdering clowns at the joystick controls. Go home nightly, you big 'brave' soldiers and choke on your dinner -- realise you have CONSCIOUSLY killed innocent women and children, you cowardly, criminal dogs. HONOUR!? Who dares mention that word?

That is the ACCURATE news of the day – now return to the Corporate mass media and watch all the propaganda and distracting titillating 'entertainment' – the 'Avengers' fantasy movie has just broken box office records; it's a cinematic comic book you mindless morons! And never forget NO-ONE CHEATS NATURE; the LAW of KARMA or consequential action, reaping what we sow, is U-N-I-V-E-R-S-A-L; it keeps the **(perfect) INFINITE COSMOS** running smoothly, you ignorant, deluded clowns. There WILL literally be hell to pay!

Glenn Greenwald nails it.

And this is not the half of it.
