C'mmon people, is Europe as mindless as the US? Does anyone really expect 'change,' is anyone 'hoping' that the new 'socialist' president will return France to the people and constrain Banking and Corporate parasites?

François Hollande

It's no longer about left or right, two sides of today's owned coin, it's about RESTORING REAL DEMOCRACY, majority rule, and ridding the WORLD of the financial parasites that have ruined it and are responsible for ALL the wars raging today -- go back to bed America, this message is for Europe.
