Wonderful country Oz, isn't it? Regardless of the best efforts of the most incompetent, cowardly and now hypocritical leaders, the nation continues to endure! WE survive in the true Aussie SECULAR tradition. A tradition that easily exposes religious hypocrites and other lying rodents, need we name the two characters alluded to?

***Pursed face of a hypocrite***

As stated on many previous occasions, 'show me a religious conservative and I'll show you a brazen hypocrite' - we could also add, 'show me your God and I'll show you a text that men wrote.' However, the present issue is the reprehensible evil that religion has become and the degenerate scum that hide behind a religious persona.

Today, the religions of the Abrahamic tradition, Judaism, Islam and Christianity, are the most bloodthirsty of all major religions, it is therefore right and PROPER that Australia maintains its long SECULAR TRADITION of exposing and ridiculing the idiocy, double standards and hypocrisy of religionists - the interests of the community are thereby well served!

It is in this profoundly AUSTRALIAN spirit that we take pride in exposing ALL LIARS and HYPOCRITES who would aspire to the position of Prime Minister. A custard-faced, hypocritical, bureaucrat NOW looks likely to take the office of PM but should we not think twice and reserve our support for others who display INTEGRITY, SUBSTANCE and CHARACTER?

It is integrity that sustains us all not lies and hypocrisy - the FAILING U.S. nation is a perfect example of the fate that awaits nations that surrender to liars, double standards and hypocrisy!

Kevin 'hypocrite' Rudd, in reference to a speech made by his foreign affairs spokesperson, clearly inferred that the 'miracle of FORGIVENESS,' displayed by HIS saviour, Jesus Christ, has no place in his personal philosophy, "I believe that terrorists should rot in jail for the term of their natural lives and then one day be removed in a pine box," he said referring to the mentally deficient Bali bombers!

What was that YOUR saviour said prior to giving up the ghost on the cross, Kevin? Something regarding FORGIVENESS, was it? I also seem to recall that Christians should "Love their enemies

and offer the other cheek when struck in the face. But we save the best for last, the 'small matter' of the ATONEMENT, the supreme gesture of FORGIVENESS and SELF-SACRIFICE offered by Christ for the spiritual welfare of ALL sentient beings - you horrid little fellow!

Secular Aussies couldn't give a flying fuck for religion (thank God) but INTEGRITY and CHARACTER mean much and carry a great deal of weight in Oz.

LYING, HYPOCRITICAL little TURDS from Queensland -- give our regards to Hanson -- offer a very poor alternative to that war criminal and shameless coward, Howard! The behaviour of both contenders is forcing the public to withdraw support from the major parties. It is a stupidity and folly to cynically take the Oz public for granted at this late stage. The public has always been able to easily identify INTEGRITY and CHARACTER.

Pull up your fly Kevin, your 'Christian' dick is showing; you simply cannot have your Christian cake and sell your soul to the devil for political gain; or do share similar contemptuous attitudes to the Oz public as those displayed by your idol, John Howard? Be advised the price for taking the public for granted may be higher than you imagined.

***Lib/Lab 'integrity'***
