

The World is brimming with Hypocrites

Today, revered hypocrite, the Dalai Lama, accepted a 'gold medal' from a nation that is responsible for a pre-emptive illegal invasion that has killed one million innocent civilians and displaced four million others. If the Dalai Lama had a cause to free his people and incriminate China it just went up the spout - are Iraqi deaths less important than Tibetan deaths to a Buddhist HYPOCRITE? The actions of the Dalai Lama prove what we've always maintained, religious leaders make the best hypocrites!

Hypocrisy in gold -- an enduring reminder!

Let's take stock; U.S. religious leaders are rabid right wingers, it's a damn shame Jesus wasn't! Associating with outcasts, attacking the ruling priests, deriding the rich and making PEACEFUL revolution, makes Jesus anything but 'right-wing' - but don't tell the religious right! The Catholics are no better; the Archbishop of Sydney Cardinal Pell stated earlier this week that the death penalty in certain circumstances was acceptable - tell it to your saviour you stinking hypocrite!

All religious leaders are degenerate, corrupt, liars and brazen HYPOCRITES. We do not delight in the appalling behaviour of the Dalai Lama - we do, however, delight in the fact that so many morons and space cadets are conned on a daily basis by these obviously unscrupulous, unprincipled men. Such behaviour should've been expected from a meat-eating Buddhist 'monk.'

What a tragic circus of horrors the world has become when the leaders of our moral institutions have become so thoroughly degenerate, decadent and corrupt!

We shit on ALL Gods and 'Holy' texts and spit on all your altars of filth and corruption - FREE THE PEOPLE, free yourselves!

World's leaders -- see how they run!
