

Frayed nerves: is it now cool to kill?

We anticipated the filter-down effect of our leadership openly flouting law, order and morality. Yes, we refer to the Iraq holocaust and the anticipated illegal or manufactured need to attack Iran. We shouldn't forget the new American century's torture/concentration camp of Guantanamo Bay and the many other illegal torture centres scattered around the world all run at the behest of the USA and its criminal allies. Yes siree, Bob, WE HAVE BEEN CHOSEN BY GOD TO COMMIT CRIMES - just ask any bible-bashing U.S. citizen. [And you thought Islamists were nuts!] Criminal 'divine' forces propel the rogue American nation to infect the world with violence, murder and MAYHEM; that is current REALITY regardless of mass complacency and denial!

War criminal and baby killer Howard seeks re-election!

The mix of insanity, imbecility and criminality make for the century we are now experiencing. Be entirely clear that it is AMERICA, BRITAIN, ISRAEL AND AUSTRALIA that form this unholy, criminal alliance! No other nations - including Russia and China -- have embarked on the path of illegal INVASIVE WARFARE. Is it NOW surprising that we read in Australian papers that a WA citizen shot his neighbour (twice) for failing to lower the volume of his stereo, or that impressionable school children have lost all sense of morality?

The lack of respect for the sanctity of human life is now clearly evident in our mass-murdering school children - THEY DIDN'T LEARN THIS MURDEROUS BEHAVIOUR FROM OUTER-SPACE! Kids imitate their elders, would we expect any different from the example Bush, Cheney, Blair and Howard openly display to the whole world?

The cost of our collective denial regarding prosecuting our mass murdering leaders and failing to rein in other corrupt officials is our youth pulling a gun and shooting us for bumping into them on

the sidewalk! For those who imagine they are immune or that their kids have been raised with values, forget it, you will be the first to fall victim to the new marauding mentality infecting our societies.

Our societies are unravelling all for the want of prosecuting our war criminal leaders who openly flout established laws and moral values.

When tragedy touches YOU the consequences of your INACTIONS will be realised - you have no one to blame but YOURSELF.

Keep the volume down and watch carefully that you don't look at anyone the 'wrong' way!
