A move in the right direction some would say but why stop at sci-fi 'religion,' Scientology - the Abrahamic three - Judaism, Islam and Christianity -- pose a greater threat to world peace. Scientology, a product of the mind of sci-fi writer and con-man, L. Ron Hubbard, seeks to relieve its followers of their hard-earned money while the Abrahamic three seek to facilitate the millennium i.e. a global holocaust! On a danger to society scale Scientology does not 'hold a candle' to the murderous Abrahamic three.

Tom Cruise of the 'Church'

A few choice quotes may convince sceptics we are dealing with thoroughly perverse and murderous belief systems in the Abrahamic religions; however, we do acknowledge that 'stand-alone' Christianity i.e. Jesus as a distinct identity to that of Jehovah would exempt it from the murderous three.

We start with a clear description of Jehovah by Moses in Exodus 15:3, "**The LORD is a man of war: the LORD is his name.**" This description extends to describe the most heinous, racist and genocidal maniac 'God' in any text!

Joshua 6:

21"And they [Jews] utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword.

24And they burnt the city with fire, and all that was therein: only the silver, and the gold, and the vessels of brass and of iron, they put into the treasury of the house of the LORD."

Deuteronomy 7:

1"When the LORD thy God shall bring thee into the land whither thou goest to possess

it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

2And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

3Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

4For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.

5But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.

6For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

What a piece of work! Religions stand condemned by their own Scriptures. We could ask do Jews today follow the ethnic cleansing, racist, murdering demands of their God? Take a look at Palestine and realise they are true to their faith – as are murdering Muslims and Christians!

Germany and indeed the world should broaden its scope and eliminate all destructive and poisonous belief systems, not just eccentric, greedy cults.

Religiosity is symptomatic of pathology. Those who do not wish to take responsibility for their actions or lives embrace religion – the coward's choice! The result of that pathology is evident today in the form of global irresponsibility manifesting as pollution-induced global warming and impending climate catastrophe – 'good work,' religion!
