Kosovo Polje

My land is soaked in the blood of my ancestors and today that land supports and provides a home for its sons and daughters. I am a Serb! For hundreds of years I have fought against Muslim, Nazi, Fascist forces and prevailed - will I surrender today to a band of (Muslim) criminals and secessionists?

We do not suffer foreign powers and those who support the destruction of our culture easily - Serbia, its lands and people are ONE! A nation built on the heroic sacrifices of our Fathers and sustained by the indomitable will of the Serbian people - who is it that entertains thoughts of surrender?

Today enemy forces have returned to mock the graves of our dead and urinate on the tombs of our Saints.

Did we fight to allow a half-wit American to steal our land via his Muslim criminal allies?

We have seen it all before; perhaps it is this very struggle that has made us what we are, a strong, fearless and indefatigable people with an indomitable will to survive.

I AM A SERB! It is the blood of my Fathers that courses through my veins - the same blood that consecrates MY Land.

“HE is RISEN!”
